## THE SITUATION.

Fisk University, by the generosity of its friends (notably the American Missionary Association), has excellent facilities for work in its "plant." Owing to its international reputation, the choicest of the young colored people of the South apply for admission beyond its capacity to receive them. Its alumni are employed along the lines in which they have been educated, almost without exception. It has only the meager beginning of an endowment. Not a single professor's or instructor's chair is endowed. Until endowment is received, money must be raised each year for current expenses.

- \$1,000.00 would endow a Scholarship.
- \$10,000.00 would endow an Instructor's chair.
- \$30,000.00 would endow a Professor's chair.
- \$100,000.00 would endow a Department.
- \$500,000.00 would endow the University as now conducted.

# Talladega College

**HISTORY.**— Founded in 1867. Charter confirmed by the Legislature of Alabama in 1889. More than 5,000 pupils enrolled since organization.

**GEOGRAPHY.**— Talladega is only eighty miles from the center of negro population in the United States; equi-distant from Maryland and Texas; at the heart of the American Missionary Association's great system of schools; in a region elevated, healthful, rich in minerals, picturesque, and where the whites and the blacks — almost equal in numbers — live in harmony and peace.

**RESOURCES.**— Buildings, Lands, Equipments, \$220,000; Scholarships and Endowments, \$167,000; Bequests unpaid, \$60,000. Total, \$447,000.

**AIMS.**— To train leaders for mental, spiritual and industrial activity; to present ideals for the home life; to develop a Christian citizenship.

**DEPARTMENTS.**— Theological, College, Normal, College Preparatory, School of English, Music, Agriculture, Carpentry, Forging, Mechanical Drawing, Printing, Domestic Science, Nurse Training, Sewing. Instructors and Officers, 31; Pupils, 613.

**GRADUATES.**— They are laboring in twenty-four states and territories, and in Africa; as pastors of churches, college and normal school instructors, school principals and teachers, lawyers, physicians, dentists, mechanics, farmers, business men, and makers of homes.

**NEEDS.**— A young men's dormitory; a theological hall; additions to endowment and scholarships; aid for needy and worthy students; money for salaries and current expenses; books for the library. Let the college filter in your wills. Its corporate name is "Talladega College, Talladega, Alabama."

## ATLANTA UNIVERSITY, Atlanta, Ga.

REV. HORACE BUMSTEAD, D.D., PRESIDENT

**A** *SCHOOL BEHIND THE SCHOOLS*—such is *Atlanta University* in its work for *Negro* education in the South. It furnishes the best teachers for the public schools in town and country; teachers of mechanic arts and domestic science, for industrial schools; presidents and principals of some of the largest public and private institutions in the South, teachers of higher studies in colleges and normal schools, besides kindergarten teachers for the *Negro* slums of cities. It is thus a teacher of teachers. One graduate has trained 200 teachers for the schools of a single state, who have taught as many as 10,000 children—the great grandchildren of *Atlanta University*.

Do you realize that this "school behind the schools" has been largely hidden from observation because of the more conspicuous and to some extent the more appealing work of the common and industrial schools to whose success it has contributed? Do you realize the enormous disproportion between its present endowment of \$70,000 and the endowments of the leading industrial schools of the South—the disproportion between this endowment and the \$1,000,000 which is needed to provide the annual revenue required to-day to say nothing of future growth? Bequests in wills should be made payable to "The Trustees of the Atlanta University," in Atlanta, Ga., and attested by three witnesses.

Address :

President HORACE BUMSTEAD,

*Atlanta University, Atlanta, Ga.*

# The Congregationalist

- 1 BECAUSE we believe every Congregationalist ought to have a comprehensive knowledge of the important place and work of his own denomination in order to have his part in the work and do it with intelligence and enthusiasm.
- 2 BECAUSE by means of a strong editorial force and correspondents in all important centers it furnishes this needed information in a thoroughly interesting and up-to-date manner.
- 3 BECAUSE it interprets movements within the Congregational Church in a broad and Christian spirit in relation to other churches throughout the world.
- 4 BECAUSE the denomination could not do its part as a Christian Church without a newspaper like The Congregationalist.
- 5 BECAUSE it is the best religious newspaper published in America, having proved itself through many years the friend of the entire family, chronicling each week the progress of the world by its record of current events interpreted from a Christian standpoint, bringing interesting and helpful reading of the highest literary quality for every member, old and young.

We have received over five hundred unsolicited testimonials this year similar to these below  
(From the Manager of the Chicago Daily News.)

PARIS, October 7, 1906.  
Four thousand miles from my home, three thousand from yours, I have been reading copies of **The Congregationalist** of September 15 and 22 which have reached me during the past week from home, reading them far more carefully in my leisure here than I am able, I am sorry to say, during my busy Sundays at home after a hard week's work. I want to congratulate you and Dr. Dunning and the people responsible for it on the splendid paper you are making.  
S. S. ROGERS.

November 1, 1906.  
Since my earliest recollection **The Congregationalist** has been a household companion. It has kept pace with the progress of thought, both in the denomination and in the world outside. It teaches attractively and effectively the duties to the denomination and the wider duties to society and state; and has been a potent factor in making Congregationalists the generous, broad-minded persons they are.

**I hardly see how one can be a living member of the Congregational body, sharing intelligently its problems and its benefits, without such a paper as The Congregationalist** has come to be.

WM. DEW. HYDE, President Bowdoin College, Brunswick, Maine.

"Far and away the best religious paper which comes to my desk, and I take a number covering a wide range."  
CHAS. R. BROWN,

Pastor First Cong'l Church, Oakland, Cal.

November 1, 1906.  
I have known **The Congregationalist** for more than five and thirty years. I was a reader of it and a subscriber for it through what were regarded as its strongest years.

**In my judgment The Congregationalist is a far better paper than it ever was in any period of its history.** It is as strong as in its best days, richer, far more varied, infinitely more reasonable and responsive to the needs of the denomination, carrying within it a spirit of light, sympathy, good cheer and kindness. It is a pleasure to welcome it to our home.

In saying this I believe that I am speaking for a great body of intelligent and open-minded laymen.

GEORGE A. GORDON,  
Pastor Old South Cong'l Church, Boston, Mass.

"The best church paper in the world!"

WILLIAM ROSCOE KEDZIE, Pastor First Cong'l Church, Pontiac, Mich.

*Should be in Every Congregational Home*

Dr. Frank K. Sanders, of Boston, speaking of the strategic possibilities in the West, says: "If Congregationalists ever take themselves seriously and believe in their mission in America, the situation is one they are in duty bound to meet."

For the amount of money expended, there is no agency for the promotion and spread of Congregational traditions and ideals so potent as the denominational paper. Do the members of your church know how ably *The Advance* is performing its mission as a denominational evangel?

Listen to one of the best-known manufacturers in Chicago: "Because of the desires of their publishers to secure our advertising, I receive all the magazines and great national weeklies, as well as the better religious papers; but the first paper to which I turn is *The Advance*. Your editorials and 'Grapho' articles are immense."

Dr. W. E. Barton's "Pastor's Department" in *The Advance* is attracting attention among the laity as well as clergy.

Every department of *The Advance* is specially designed to interest and instruct and to supplement the pastor's work, and the splendid increase in its subscription list the past year shows that its efforts are being appreciated.

• At the twelfth triennial session of the National Council held at Des Moines, Ia., Oct. 13-20, 1904, the Finance Committee reported to the Council the following recommendation, which was adopted:

They recommend that the treasurer of the National Council be instructed to call for one cent and a half per member from the churches for each of the three following years.

SAMUEL B. FORBES, *Treasurer.*

HARTFORD, CONN., June 8, 1906.

## INTRODUCTION.

The YEAR-BOOK will go to the ministers and clerks of the churches with this issue having added several new pages, viz., The Congregational Board of Pastoral Supply, The Schaufler Missionary Training School, and Christian Endeavor and Congregationalism. Another page would have been added, that of City Missionary Work, as illustrated in the Cleveland City Missionary Society, but the material came too late to be inserted in the proper place. We trust that other great Congregational activities will be illustrated next year in connection with which the churches and pastors will be pleased to have particular information.

For the urgent requests which have been made, we are pleased to restore the page giving dates and places of annual meetings of state bodies.

It seems practically impossible to publish the YEAR-BOOK before June 1. The publication is very late, as usual, this year. Church clerks are responsible for this. They will not report promptly. In many instances several requests must be sent before they report anything at all. Permit us to inform the brethren who by their delays defer the publication of the YEAR-BOOK, that this occasions considerable expense, for the reason that the books, owing to the absence of pastors on their vacations, and many clerks as well, cannot be delivered and are returned to this office at the cost of transportation. Last year nearly four hundred YEAR-BOOKS were not delivered; consequently about \$100 were spent to take care of these. This expense could be avoided to a large extent if the YEAR-BOOK were published before June 1. The deliveries could then be made to pastors and clerks while they are yet at home.

It may be that some did not receive their YEAR-BOOK in 1906. We will gladly mail this volume to any who will send to us a postal card asking that a copy be sent to his address.

Ministers changing residence after May 1 will confer a great favor if they inform this office of the new address, lest the YEAR-BOOK be sent to an old address and fail to reach its proper destination.

We are asked frequently to make changes in figures, especially those of benevolence. The brethren are urged to bear in mind that after a certain time the schedules are fixed and the "forms" printed. It is suggested that we have a page for "errata." This would occasion no end of trouble, expense and confusion. The Publishing Committee consider it wise to let the schedules stand as they have been printed and electrotyped, and beg the brethren not to adopt any plan for indicating changes, errors, etc.

Our file of "Biographies to date" is constantly increasing, and the method fully justifies the wisdom in appealing to the brethren to send their biographies for the purposes of accuracy, especially in the earlier data of the record.

The attention of pastors and members of churches is called to the opinion of Hon. Simeon E. Baldwin concerning legal questions in connection with the proposed union of the three denominations. It will be found at the close of the book.

The reports from the states were received as follows: *February 2*, New Mexico; *February 15*, West Virginia; *February 23*, Ohio; *February 25*, Alabama

(Association), Utah; *March 1*, Cuba, Porto Rico; *March 2*, Maine; *March 7*, Nevada; *March 8*, Georgia (Conference); *March 11*, Alabama (Conference), Minnesota, Mississippi; *March 12*, Arizona, Arkansas, Missouri, Montana, Nebraska, Wisconsin; *March 13*, Iowa, Oregon, Wyoming; *March 18*, Idaho, Michigan; *March 19*, Rhode Island; *March 23*, South Dakota; *March 25*, Florida, North Dakota; *March 28*, Connecticut, New Hampshire; *April 1*, District of Columbia, Maryland, New Jersey, Vermont, Virginia; *April 2*, Oklahoma; *April 4*, Alaska, New York; *April 8*, Hawaii, Kansas, Kentucky, Louisiana, Massachusetts, Tennessee; *April 10*, Texas; *April 15*, North Carolina; *April 17*, Illinois, Indiana; *April 18*, South Carolina; *April 20*, Northern California, Colorado; *April 24*, Washington; *April 25*, Southern California; *May 4*, Georgia (Convention); *May 9*, Pennsylvania.

### THE AMERICAN CONGREGATIONAL ASSOCIATION.

Organized, 1853. Chartered, 1854.

Headquarters, Library, Congregational House, Boston.

#### OFFICERS.

*Vice-Presidents.* — SAMUEL B. CAPEN, LL.D., Boston; S. S. ROGERS, Chicago, Ill.

*Corresponding and Recording Secretary.* — Rev. JOSHUA COIT, Winchester.

*Treasurer.* — AUGUSTUS S. LOVETT, Brookline.

*Librarian and Assistant Treasurer.* — WM. H. COBB, D.D., Newton Centre.

*Auditor.* — ALONZO C. TENNEY, Chelsea.

EMERSON, Cambridge; MORTIMER B. MASON, Boston; CHARLES B. RICE, D.D., Danvers; A. E. DUNNING, D.D., Brookline; AUGUSTUS S. LOVETT, Brookline; ARTHUR C. FARLEY, Auburndale; Rev. MORTON DEXTER, Boston; Rev. EDWARD M. NOYES, Newton Centre; FRANKLIN P. SHUMWAY, Melrose; ALFRED M. ZIEGLER, Roxbury; ARTHUR S. JOHNSON, Boston; D. C. BREWER, Boston; L. A. CROSSETT, Boston; TIMOTHY SMITH, Roxbury; JACOB P. BATES, Boston; SYLVESTER B. CARTER, Boston; A. S. COVEL, Boston; Rev. C. E. STOWE, Bridgewater; SAMUEL USHER, North Cambridge; A. H. WELLMAN, Malden; THOMAS WESTON, Jr., Newton; F. O. WINSLOW, Norwood; EDWIN S. WOODBURY, Dorchester; Rev. C. H. DANIELS, D.D., South Framingham.

#### OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches.

#### FINANCIAL.

During the year, the debt on the Congregational House has been reduced by \$9,000, bringing it down to \$158,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely, there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1907, the mortgage on the Congregational House falls due, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about \$10,000; the interest on the mortgage is about \$6,000; if the debt were paid, the appropriations to all the missionary societies could be largely increased, without diminishing the appropriation to the Library.

Now, suppose that a number of bequests amounting to \$150,000 were distributed among the different benevolent enterprises that center in the Congregational House. The total result, at four per cent interest, would be an annual gift of \$6,000 to these causes.

Suppose, on the other hand, that this \$150,000 was devoted to wiping out the debt on the House. The present surplus of \$10,000 would be increased by the interest on the mortgage, namely, \$6,000, and the whole \$16,000 would be available for the missionary work of our churches, — \$16,000 annually, instead of \$6,000. It is clear, then, that the same amount of money, whether bequeathed or given directly, will go much further for Congregational work when invested in the Congregational House, not to urge the greater security of the investment.

#### THE LIBRARY.

How can the inertia of church clerks be overcome? We are constantly urging these officials to send the Library two copies of the latest manuals, histories, etc., of their respective churches; but few respond, and a mortifying gap exists at this point. Perhaps the many fail to understand that this material becomes more valuable as the years pass.

*Prudential Committee.* — The President and Vice-President, *ex officio*s; HERBERT A. WILDER; Rev. EDWARD M. NOYES, Rev. JOHN H. DENISON; Rev. EDWIN H. BYINGTON; EDWARD C. MOORE, D.D.; Hon. ARTHUR H. The American Board is the only foreign missionary society of the Congregationalists of America, including Canada; friends of other denominations often give through its channels. The Board has a famous history and a prestige unsurpassed by any missionary society at home or abroad.

Its work is conducted through twenty missions in nine countries with 566 missionaries (199 men and 367 women) and 4,064 native workers. Connected with its missions are 589 churches, with 66,000 communicants, of whom over 5,000 were added by confession the past year. Its educational work includes over 1,500 schools with 64,000 scholars; of these schools, 13 are theological seminaries and 143 colleges, boarding or high schools. Forty-six missionary physicians are busy in medical work of the Board, with 25 hospitals, 38 dispensaries and over 250,000 patients annually. Its publications amount to millions of pages a year and almost every mission conducts some form of industrial training.

Last year was made notable by the chain of events leading up to the Haystack Centennial; the Million Dollar Campaign, the tour of fifty cities, the dramatic raising of the debt and the enthusiastic annual meeting at North Adams and Williamstown, Mass.

This year brings a fresh challenge; the world is in a new sense opened to this work. The calls from almost every mission are for re-enforcements, in view of strategic needs. Literally, it is the greatest hour the Church of Christ has ever seen for advancing the kingdom. And there are signs of a new missionary awakening, and among the class so far most apathetic, the absorbed business men of the churches.

It would be both a shame and a discouragement if the year after the Haystack Celebration should end with a deficit. Yet the danger is great. Churches and individuals incline to rest on what they did last year. The receipts so far show a falling off as compared with 1906. The American Board pleads with every church on the roll of this YEAR-BOOK for a generous gift to foreign missions this year.

## FIVE DEPARTMENTS.

*Theological Seminaries, Colleges, Academies, Mission Schools, and Student Aid.*

## THEOLOGICAL SEMINARIES.

CHICAGO THEOLOGICAL SEMINARY, Foreign Department, Chicago, Ill.

BOSTON EVANGELICAL INSTITUTE, Finnish Department.

There are sections in the West solidly foreign. New England has an increasing foreign population. While the children of newcomers eagerly learn the English language, their parents will probably be satisfied to speak their mother tongue. The graduates from the foreign departments at Chicago and Revere, Mass., are able to preach in both English and the mother tongue.

## COLLEGES.

ROLLINS, Winter Park, Fla.

KINGFISHER, Kingfisher, Okla.

FAIRMOUNT, Wichita, Kan.

REDFIELD, Redfield, S. Dakota.

During the last ten centuries Christian universities and colleges have trained the great leaders in human progress. Wise, far-seeing, and unselfish leaders are now needed more than ever. The problems and perplexities of our national progress will increase rather than diminish.

Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

## ACADEMIES.

Nineteen academies receive financial aid.

Several other academies, closely allied, indorsed and helped.

GORDON, Utah.

ROGERS, Arkansas.

PROCTOR, Utah.

WOODCOCK, Washington.

FRANKLIN, Nebraska.

WARD, South Dakota.

CHADRON, Nebraska.

WINDOM, Minnesota.

WEeping WATER, Nebraska.

NORTH WISCONSIN, Wisconsin.

GATES, Nebraska.

SOUTHERN COLLEGIATE, Illinois.

EUREKA, Kansas.

NORTHWESTERN, Oklahoma.

KIDDER, Missouri.

SOUTHWEST, Oklahoma.

IBERIA, Missouri.

PHILLIPS, North Dakota.

THORSBY INSTITUTE, Alabama.

Many states in the West and South make no provision in their statutes for high schools in the rural districts, so that there are large sections of our country, embracing in some localities several counties with thousands of settlers widely distributed, without any schools of higher grade.

Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

## MISSION SCHOOLS IN UTAH.

BOUNTIFUL.  
COALVILLE.

LEHI.  
VERNAL.

HEBER.

GORDON and PROCTOR, elsewhere given as academies.

REASONS. — Mormon leaders are making strenuous efforts to extend Mormonism. Its missionaries are active in this country and abroad. There are nine Mormon conferences on the Atlantic coast from Maine to Virginia. The leaders have a distinct political aim to gain firmer hold in national affairs in order to further the interest of their church and gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

## MISSION SCHOOLS IN NEW MEXICO.

SAN RAFAEL.  
BARELAS.  
SAN MATEO.

ATRISCO.  
CUBERO.  
SEBOYETA.

One hundred and fifty thousand Mexicans, poor, ignorant, and superstitious, make appeal for Christian light.

The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life.

The uplifting of homes and establishing of churches will come through the children and their schools.

## STUDENT AID.

Money to the amount of \$50 per annum is loaned or granted to meritorious and needy young men studying for the Christian ministry. Competent committees at seminaries and colleges examine each applicant and give estimates of his worth. One hundred and eighty-two men are being aided this year.

## CONGREGATIONAL HOME MISSIONARY SOCIETY.

## CITY MISSIONARY AUXILIARIES.

GEO. H. MORGAN, *Secretary.*  
 Congregational City Missionary Society. — Rev. PHILIP W. YARROW, *Superintendent*, St. Louis, Mo.; LEWIS E. SNOW, *Treasurer*, St. Louis, Mo.

THE HOME MISSIONARY, a magazine published by the Society since 1828, is now issued monthly at fifty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the monthly organ of the Six Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in all parts of the wide field and present the freshest intelligence therefrom. The price is only ten cents a year. An ANNUAL REPORT sums up the results of each year. Leaflets and tracts for the times are published as occasion calls and funds allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Ave. and 22d St., New York.

For eighty years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have, from the first, organized Sunday-schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 7,036 churches (a) have been organized, and 3,343 have come to self-support. It has collected and disbursed in cash \$23,383,056.83, and in clothing, books, and other supplies, largely the offerings of Christian women, \$2,711,156; in all, \$26,094,212.83. The additions to the churches have been 529,945.

The number of missionaries employed in its eightieth year (1905-1906) was 1,660; 1,093 of them in states and territories west and south of the Middle States. They preached regularly in 2,216 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 115,824. The additions to the churches were 7,315, 4,708 of them on confession of Christ. Churches organized, 45; reached self-support, 60.

The eightieth year's receipts were, in cash, \$494,329.73; in supplies, \$30,000; in all, \$524,329.73.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least \$100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

## FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast and in the Hawaiian Islands the Chinese and Japanese; in Alaska the Eskimos; and in Porto Rico and Hawaii those of different races.

## PURPOSE AND METHOD.

The American Missionary Association is training a leadership among these different races. This involves an

## INDUSTRIAL LEADERSHIP.

To accomplish this the Association introduced, years ago, Industrial Training. Nearly every school furnishes this department of instruction. An Industrial Leadership is thus trained for these people. It is not simply to instruct the few in handicraft, or to teach them a trade, but to give to the many competent instructors of their own race, who shall lead them into better industrial activity and prepare them for economic development.

## AN INTELLECTUAL LEADERSHIP

among these races is equally essential. This is also provided by the A. M. A. Normal institutes and academies, in which the best methods of modern teaching are pursued, are planted among these peoples, and hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of these races.

Intellectual Leadership is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for.

## THE MORAL AND RELIGIOUS LEADERSHIP

of these peoples is also provided. Departments of biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building is necessary. Religious life must be sustained. High ethical and moral standards must be established. These great necessities can be met only by a well-trained moral and religious leadership from among these peoples whose high characters shall appeal to that which is best in the race and furnish an object lesson.

## EDUCATIONAL WORK

includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Tennessee; Straight University, Louisiana; Talladega College, Alabama; Toulagoo University, Mississippi; Tillotson College, Texas; Piedmont College and Atlanta Theological Seminary, Georgia; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia, and many others. Mountain schools: Highland College and Black Mountain Academy, Kentucky; Grand View Institute and Pleasant Hill Academy, Tennessee; Saluda Seminary, North Carolina; Green Academy, Alabama. Indian schools: Santee Normal and Training School, Nebraska; Porto Rico, Blanche Kellogg Institute. Eighty-four normal, industrial, graded, and primary schools.

## CHURCH WORK

is a missionary service among the most needy. In the Indian fields it is having wonderful growth. In the Chinese fields, many pagans have come into the Christian life. In the southern mountains the churches have been a large influence in the life of the people and the Congregational church polity is being developed.

In the southern lowlands, also, there is a steady movement among the colored people towards free and pure churches.

## MAGAZINE.

*The American Missionary* is published monthly, except July and August. New form, fresh material, and generous illustrations characterize it for 1907. Pastors of contributing churches, superintendents of Sabbath schools, College and Theological Libraries, and Societies of Inquiry on Missions will receive the *Missionary* upon application if so desired. Subscription is *fifty* cents per year.

## THE NATIONAL COUNCIL MINISTERIAL RELIEF FUND.

A Fund "for the relief of disabled ministers and the widows or orphans of deceased ministers," under the care of the Trustees of the National Council.

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

Only the income from the Permanent Fund may be used for beneficiaries. This is supplemented from the current receipts from churches and individuals, while all legacies not otherwise designated, and all gifts so designated, are added to the Permanent Fund.

The original idea was to create a Permanent Fund, only using the income in grants. The National Council, Portland, Me., 1901, instructed the Trustees, in building up the Permanent Fund, "not to neglect the present needs." Hence the policy now is, first, to meet the present needs of the aged ministers, and second, to increase the Permanent Fund as rapidly as possible.

The receipts from all sources, from the first gift in March, 1887, to Dec. 31, 1906, have been \$317,301.33. The receipts in 1906 were \$27,106.92.

The Council at Des Moines "urges all ministers and churches identified with the National Council to enter into hearty co-operation with the Trustees, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Trustees appeal

1. For an annual offering from each church.
2. For annual subscriptions to the Permanent Fund, from ministers during their earning period, of \$1.00 a year or more.
3. For special gifts and bequests from individuals.

NATIONAL FEDERATION OF WOMAN'S CONGREGATIONAL STATE  
HOME MISSIONARY ORGANIZATIONS.

Organized May, 1905.

*President.* — Mrs. B. W. FIRMAN, 1012 Iowa Street, Oak Park, Ill.

*Vice-Presidents.* — Mrs. JAMES L. HILL, Salem, Mass.; Mrs. F. EGGERT, Portland, Ore.; Mrs. S. F. GALE, Jacksonville, Fla.

*Secretary.* — Miss ANNIE A. McFARLAND, 196 North Main Street, Concord, N. H.

*Treasurer.* — Mrs. H. A. FLINT, 604 Willis Avenue, Syracuse, N. Y.

This Federation is the only national organization existing among Congregational women. The constitution is as follows:

**OBJECT.** — Its object shall be the unification of all state organizations of women that labor in any corporate way for the advancement of home missionary work in connection with Congregational churches.

**MEMBERSHIP.** — All state organizations of women connected with Congregational churches, seeking to promote woman's missionary work in our country and its newly allied territories, shall be eligible to membership in this Federation.

**MEETING.** — An annual meeting shall be held in connection with the gathering of the Congregational Home Missionary Society, inasmuch as other of the national societies hold affiliated meetings in connection with this gathering.

**FINANCE.** — The annual dues of each federated state organization shall be two dollars. An offering shall be taken at the public mass meeting of the Federation. Gifts may be received at any time. These funds shall be devoted to the expenses of the organization.

The Federation has proved itself worthy of being, — it having brought about a fellowship and a mutual helpfulness between the states, which would be impossible were there not a central organization. Each state continues independent as to its plan of work, treasury, etc. Among the advantages to Congregationalism are that federation gives us centralization in our home missionary activities, — a necessary factor in coming in contact with other denominational bodies. It will also tend toward stimulating the gifts of the women of our country to home missions. The officers are glad of every opportunity possible to be of help in any way, anywhere.

The second annual meeting will be held in Cleveland (National Council), October, 1907.

*Congregational Work* is the official organ of the Federation.

## THE WOMAN'S BOARDS OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each co-operates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. The organ of the three Boards is *Life and Light for Woman*, published in Boston. These Boards also co-operate with the American Board in publishing the *Mission Dayspring*, for children.

## BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lyman Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

*President.* — Rev. ALEX. MCKENZIE, D.D. *Secretary.* — CHARLES F. STRATTON.  
*Vice-President.* — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

*Board of Managers.* — The officers above named and Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Francis Y. Ward, Edward B. Wilder, Albert Murdoch.

*Corresponding Secretary.* — Rev. CYRUS P. OSBORNE.

*Object.* — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to relieve the wants of these men when shipwrecked and destitute.

*Scope.* — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of navigation, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from states as far west as Colorado. To these lads, separated from the influences of home, church, and Sunday-school, our bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its centers upon our coasts, its circumference includes all seas and shores where sailors are found.

*Methods.* — The work is not simply preaching to sailors, but a ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates have been cared for during the last winter.

*Results.* — Many men have been led to save their earnings, an aggregate of thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading rooms, fitted up with games as well as with books and magazines.

All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailors' Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Friday, and Sunday evenings, and from the middle of November to May there is hardly a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and our Chaplain has a list of about eight hundred men who have within three or four years asked for prayer, and with most of whom he is in correspondence. The spiritual value of the work accomplished is beyond all estimate.

*Needs.* — The Society needs an annual donation from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least \$15,000, to make changes and improvements in our Boston Bethel by which two thirds of that fine building will be available for Bethel work instead of one third, as at present. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts fail us. It needs the sympathy and prayers of all who care for the sailor and have any sense of the great debt we owe to him.

## FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of \$..... to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work.

## OTHER SOCIETIES.

## THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

*Directors.* — WILLIAM H. ALLBRIGHT, D.D., Chairman; FREDERICK E. EMRICH, D.D., Rev. CHARLES H. OLIPHANT, FRANK L. FISH, HERBERT A. BOYNTON, EDWARD A. REED, D.D., Rev. WILLIAM E. STRONG, APPLETON P. WILLIAMS, WILLIAM S. O'BRIEN, Rev. FRANK W. MERRICK, D.D., EDWARD B. BAYLEY, HENRY H. PROCTOR.  
*Secretary.* — Rev. CHARLES B. RICE, D.D.

This Board is maintained and directed by the General Association of Congregational churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches; but it is itself responsible to the churches. This fact of complete public responsibility is characteristic and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We arrange for opportunities for preaching with reference to settlement wherever that may be desired, and we designate and engage men for that purpose if that is left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning nearly three thousand Congregational ministers. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in as far as possible the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contribution from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerably assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

## HISTORY AND OBJECT.

The Schaufler Missionary Training School was opened in Cleveland in 1886. It was the outgrowth of the need of "native helpers" in the newly begun Home Missionary work of the Congregational Home Missionary Society for our Slavic population. It was at first open only to Bohemian young women, but within a few years it began to receive other nationalities and is now open to all young women desiring Home Missionary Training. Seven nationalities have been in training at one time. Over one hundred young women have studied in its halls, and fifty-four have been graduated. These graduates are working in fourteen different states, in five different denominations, and among six different nationalities. In 1905 a new department was added, that of training young women for pastors' helpers, by giving instruction in stenography, typewriting, and the keeping of church records, in addition to the regular missionary course.

## NEEDS.

The School needs an endowment of \$50,000 to insure enlargement and permanency. Fourteen thousand dollars is already pledged. Will you help? Send contributions to Mrs. Mary W. Mills, 5111 Fowler Avenue, S. E., Cleveland, Ohio.  
 For information address the Principal, Mrs. MARY WOOSTER MILLS, 5111 Fowler Avenue, S. E., Cleveland, Ohio.

## CHRISTIAN ENDEAVOR AND CONGREGATIONALISM.

THE first Young People's Society of Christian Endeavor was organized February 2, 1881, in the Williston Congregational Church, Portland, Me., by Rev. Francis E. Clark, its pastor. Writing on "What Congregationalists Have Done," the editor of *The Advance* says, "Congregationalists started the greatest Christian young people's movement of this country or any other country, of this generation or any other generation."

Congregationalism gave Christian Endeavor to the other denominations, and to the nations of the world, without denominational tag or device of any kind. To-day Christian Endeavor is at home in more than sixty denominations, and its literature is printed in more than eighty languages.

More than ninety per cent of the young people's societies in Congregational churches are Christian Endeavor. Why not make it unanimous?

Christian Endeavor is not a form of words nor a prescribed method. It is flexible enough to be adapted to the needs of any church. The constitution and pledge can be framed by the pastor to meet any local conditions.

Christian Endeavor is the training school of the church. Its success depends upon the quality of its members, and the spiritual atmosphere of the church. To do its best work it must have the leadership of the pastor, and the sympathy and co-operation of the officers and older members of the church.

Christian Endeavor stands for faith in Jesus Christ, outspoken confession of Christ, faithful service for Christ and his church, and fellowship with other followers of Christ. It believes in prayer, and cultivates the spirit of devotion. It believes in service, and trains its members by practical work on the various committees. It fosters proportionate, systematic, and generous giving.

A multitude of pastors say that Christian Endeavor is the best organization yet devised for training young people in Christian life and service. The American Board reports that it has become an essential part of their mission work abroad. It is universally commended by the missionaries. It is the ideal organization for chapels, missions, and school-house meetings where there is no regular pastor or church organization.

It is the only organization in the church that systematically graduates its members, and has to fill their places by constantly securing new material. This fact should be remembered when judging it by statistics alone.

The present world-wide enrollment is 68,722 societies, with more than 3,500,000 members, the largest in the history of the movement. Christian Endeavor is still growing. Help it to reach its greatest and best.

Free organizing literature can be had by writing to William Shaw, General Secretary of the United Society of Christian Endeavor, Tremont Temple, Boston, Mass.

## THE THEOLOGICAL SEMINARIES.

## ATLANTA THEOLOGICAL SEMINARY

ATLANTA, GEORGIA.

Opened for instruction, 1901.

## FACULTY.

E. LYMAN HOOD, M.A., PH.D., President, and Professor of Church History.

SAMUEL W. HOWLAND, A.M., D.D., Professor New Testament Greek and Systematic Theology.

ALVAN F. SHERRILL, D.D., Professor Homiletics and Pastoral Theology.

LAWRENCE PHELPS, M.A., Professor Biblical Theology.

FRANK E. JENKINS, D.D., Lecturer on Parish Problems.

The Seminary aims, (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a Gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The Classical theological course embraces three years of study. At its completion, the degree of B.D. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is designed to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue under wise and experienced leadership systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our large library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for \$1.50 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will enable them to completely pay all expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his. Thus we shall give to the churches men with a practical as well as a theoretical knowledge.

Applicants who are not graduates are sometimes received as special students; but can only qualify for the regular course after meritorious work and examination.

COURSE OF STUDY. — The aim of the course is to prepare men thoroughly for the practical work of the ministry. The fundamental studies in the Old and New Testaments, the History of the Church, the System of Christian Truth, and the Work of the Preacher and Pastor, are prescribed; numerous elective courses enable students to pursue some of these subjects farther, or to take up others subsidiary to the main topics of instruction. The Hyde and Southworth Lectures provide expert instruction in missions and polity. To give students an actual acquaintance with the work of their calling and some experience in it, they are, as far as possible, associated individually with pastors of churches in Boston and vicinity whom they assist in various ways and from whom they receive personal counsel and guidance.

DEGREE. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study; it is required that the recipient hold a college degree.

GRADUATE STUDENTS. — Graduates in Theology pursue advanced studies and researches under the personal direction of the professors, and are admitted to such courses of lectures as they may elect.

BANGOR SEMINARY is open to Christians of every denomination. In harmony with its origin and history, its sole purpose is to train men to become preachers, pastors, and teachers. Everything bends to this one aim. Besides the usual advantages of a Divinity School, in adapting itself to the varying condition of its environment and its men, it has come to be marked by certain distinguishing features.

While it makes provision for the best equipped college men by maintaining the high standards of instruction which characterize modern education, yet, by not necessarily requiring for admission either a college diploma or acquaintance with any foreign tongue, it opens a door to many who have had only limited educational opportunities, or who are belated in beginning ministerial preparation, but who prove earnest and successful students, and become able and fruitful ministers.

On the Bond Foundation, and by other provision, it does certain work in the natural sciences and in other supplemental directions. By these means the students are brought close to nature and to real life.

By intimate friendly relations of teachers and pupils, by free class-room methods, and by constant supervision of individual student research, it seeks to retain the merit of the old-time system of private instruction and example in ministerial preparation, together with the thorough scientific temper which characterizes the intellectual work of to-day.

The degree of D.D. is conferred on those graduates whose attainments justify it.

CONVOCATION WEEK. — During one week in each year there is a large gathering of ministers from northeastern New England who, together with faculty and students, share in conferences with, and hear courses of lectures from, foremost intellectual and spiritual leaders. These for 1907-08, include Drs. Washington Gladden, Henry Van Dyke, and Charles Cuthbert Hall. The inspirational and practical value of the week is incalculable.

EXPENSES AND AID. — There is no charge for tuition, rooms, furniture, library, gymnasium, or any privilege of the seminary. The rooms of the dormitory are partly furnished. Board is about three dollars per week. The income of the Washburn and other funds amounts to about half the cost of board, and is given to those whose circumstances require it. Other funds are also available. From another fund small loans are made for temporary convenience of students. The extremely low cost of living at this Seminary brings the advantages here offered within the reach of those whose resources are the smallest, without loss of self-respect.

FIELD SCHOLARSHIPS. — Three Field scholarships are offered, one of \$50, to aid any student who remains to take a fourth year after graduating, and two of \$90 each at Bowdoin College, to assist students who, having graduated at the Seminary, are admitted to the College for further study.

PREACHING. — Students are encouraged to preach as much as is feasible with a view not only to self-help and service, but to their training as preachers.

LIBRARY. — The library contains about twenty-six thousand volumes.

GYMNASIUM. — The gymnasium is provided with suitable apparatus, and special instruction is given four days in the week.

Anniversary occurs Wednesday, June 5, 1907. The next seminary year opens Wednesday, Sept. 25, 1907.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. WARREN J. MOULTON.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the co-ordinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of B.D., and are enrolled among the alumni of the University.

COURSES OF STUDY. — The studies are of two classes, prescribed and elective. The prescribed studies, given by the Faculty, cover about two thirds of the required work of the three years; the elective studies may be made up from divinity courses or from courses given in the University. Students at the close of the second year of study have the option of continuing as candidates for the degree of B.D., or of becoming, by enrollment in the Graduate School, candidates for the degree of PH.D. (requiring two more years of resident study).

GRADUATE OR FOURTH-YEAR CLASS. — Students of approved scholarship, who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in theology are pursued under the direction of the professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship. Members of this class may become candidates for the degree of M.A., or for that of PH.D., by enrollment in the Graduate Department of the University.

The school has two GRADUATE FELLOWSHIPS for the encouragement of further theological study in this country or abroad, the income of which is \$500 and \$1,200 in alternate years.

EXPENSES. — The charge for the care and heating of each room is, approximately, \$40 per annum. Board costs from \$3.00 to \$5.00 per week. The necessary expenses of a student for the school year of thirty-four weeks, exclusive of clothing and personal expenses, range from \$168 to \$245.

OPPORTUNITIES FOR SELF-HELP. — Scholarship aid is now considered not as a gift, but as a means of livelihood obtained by a definite amount of religious work, under competent supervision. The scholarship funds of the school are used to create opportunities for employment in New Haven and vicinity, through which the students may receive training in pastoral work. The average amount of time spent is six hours per week, for which the remuneration is \$100. Further opportunities for self-help, if needed, may be obtained through the Director of Religious Work. Prize scholarships of \$100 and \$50 are also offered to students of exceptional rank in scholarship.

TERM OF STUDY. — The next year will begin on Thursday, September 26, 1907.

APPLICATION FOR ADMISSION. — The conditions of admission are membership in some evangelical church, and a liberal education at some college or university. Catalogues and forms of application for admission may be obtained by addressing the Dean, Yale Station, New Haven, Conn.

THE SEMINARY aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, and to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

THE CURRICULUM is arranged in accordance with a system of Grouped Electives. It is thereby adjusted to the needs of students wishing either a balanced course, or one rather closely specialized. It is also fitted to University students prepared to acquire advanced standing.

THE MISSIONS COURSE, on the Lamson Foundation, provides opportunity for thorough Mission study.

THE HARTFORD SCHOOL OF RELIGIOUS PEDAGOGY, affiliated with the Seminary, supplies an invaluable supplement to the instruction in this department.

GRADUATE STUDY is strongly encouraged. The degrees of S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships are offered in the undergraduate department, each for two years of foreign study. One fellowship, yielding \$1,000, is offered in post-graduate work.

THE APPARATUS includes a library of \$5,000 volumes (excluding duplicates), museum, reading-room, gymnasium, music-room, etc.

TERMS OF ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term. All courses are open to women on the same terms as to men.

EXPENSES. — No charge is made for tuition, rooms, furniture, and bedding, except a nominal fee of \$25 for use of steam and for supervision. Board is provided under the care of the Students' Association, at about \$4.00 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society, varying in amount according to scholarly rank.

CALENDAR. — The seventy-fourth year begins Sept. 25, 1907, and closes May 27, 1908.

ADMISSION. — Candidates for admission must be college graduates or have equivalent preparation. Women as well as men are received.

COURSE OF STUDY. — The curriculum covers three years, and leads to diploma and B.D. degree. It is arranged in a system of grouped Electives, which give a general course with opportunity to specialize where desirable. The studies set out, from the point of view of Christian experience, are carried on in a reverent, historical, and critical spirit, and aim at a culmination in practical fitness for the ministry.

FOREIGN AND CHRISTIAN INSTITUTES. — In these independent courses men are trained to preach in both English and the German and Scandinavian languages. For the German a high school training, and for the Scandinavian a good common school fitness, is required. In the Christian Institute men and women are trained for various forms of church work.

SEMINARY SETTLEMENT. — Chicago Commons, of which Dr. Graham Taylor is warden, is a laboratory in practical theology, for the students.

APPARATUS. — Hammond Library contains over 20,000 carefully selected volumes, current theological and literary magazines, all arranged according to departments in separate alcoves for easy reference. There are a reading room, music room, a gymnasium with physical director, and light, airy, quiet dormitories looking out on Union Park.

EXPENSES AND AID. — The only charge is a nominal fee of \$1.00 a week for heated, lighted and furnished rooms. Board can be secured near the Seminary for \$3.00 or \$4.00 a week. Loans from \$75 to \$175 a year are granted worthy men, in addition to the grant from the Education Society. Each graduating class is offered also a fellowship, the income of \$10,000, for two years of foreign study.

CALENDAR. — The next Seminary year begins Wednesday, September 25, 1907, and ends the second Thursday in May, 1908, with vacation of two weeks at Christmas.

## OBERLIN THEOLOGICAL SEMINARY.

OBERLIN, OHIO.

Opened for service in 1835.

## FACULTY.

HENRY C. KING, D.D., President, Finney Professor of Theology.

EDWARD I. BOSWORTH, D.D., Dean, Professor of the New Testament Language and Literature.

G. FREDERICK WRIGHT, D.D., LL.D., Professor of the Harmony of Science and Revelation.

ALBERT H. CURRIER, D.D., Holbrook Professor of Sacred Rhetoric and Practical Theology.

ALBERT T. SWING, D.D., Professor of Church History.

KEMPER FULLERTON, A.M., Secretary and Registrar, Professor of the Old Testament Language and Literature.

LOUIS F. MISKOVSKY, A.M., Principal of the Slavic Department, and Professor of the Bohemian Language.

WILLIAM G. CASKEY, A.M., Professor of Elocution.

ALBERT B. WOLFE, PH.D., Associate Professor of Sociology in Oberlin College.

THE SEMINARY is open to students of all denominations. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition, students are admitted to the college classes without charge.

Applicants for admission must present college diplomas. Upon graduation, the academic degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 764 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, aggregating 1,640 hours, from which each student elects at least 676 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

SPEAR LIBRARY contains about 107,000 volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot-water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of \$6. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from \$2.00 to \$3.00 a week. Other expenses are correspondingly low.

PECUNIARY AID is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than \$50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from \$50 to \$100 each year, and in the form of remuneration for country and city mission work which is abundant in the vicinity. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 18, 1907. For further information address Dean Edward I. Bosworth.

## PACIFIC THEOLOGICAL SEMINARY, BERKELEY, CAL.

Opened for service, 1869; established at Berkeley, 1901.

## FACULTY.

- JOHN KNOX McLEAN, D.D., President, and Lecturer on Pastoral Methods.  
 CHARLES SUMNER NASH, M.A., D.D., Dean, Professor of Homiletics and Pastoral Theology.  
 WILLIAM FREDERIC BADE, B.D., PH.D., Professor of Old Testament Literature and Semitic Languages, and Secretary of the Faculty.  
 — — — — —, Professor of New Testament Greek and Exegesis.  
 JOHN WRIGHT BUCKHAM, D.D., Professor of Christian Theology.  
 ARLEY BARTHLOW SHOW, M.A., Professor of Mediæval History, Stanford University, Lecturer in Church History, 1906-1907.  
 GEORGE TOLOVER TOLSON, M.A., B.D., Instructor in Church History, and Acting Librarian.  
 MILES BULL FISHER, A.B., B.D., Instructor in Elocution.  
 JAMES ALEXANDER CHAMBERLIN, D.D., Lecturer in Sociology.

The Faculty is further strengthened by co-operation with Dean HIRAM VAN KIRK, B.D., PH.D., of the Berkeley Bible Seminary, Ptes. CLAIBORNE MILTON HILL, D.D., of the Pacific Baptist Divinity School, and Dean EARL MORSE WILBUR, M.A., of the Unitarian Divinity School.

Also from the University of California, GEORGE HOLMES HOWISON, M.A., LL.D., Professor of Intellectual and Moral Philosophy; CHARLES MILLS GAYLEY, LITT.D., LL.D., Professor of the English Language and Literature; CORNELIUS B. BRADLEY, M.A., Professor of Rhetoric; ALEXIS F. LANGE, PH.D., Professor of the Theory and Practice of Education; JOHN FRYER, LL.D., Professor of Oriental Languages and Literatures; THOMAS RUTHERFORD BACON, A.B., B.D., Professor of Modern European History; WILLIAM POPPER, PH.D., Associate Professor of Semitic Languages and Literatures; CHAS. RIEBER, PH.D., Associate Professor of Philosophy.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open to the Seminary students. Courses by the eight professors of the University named above have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 150,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Preparation in the languages of China and Japan can be had in the Oriental Department of the University, or in medicine in the Medical School. The climate is remarkably even, constantly cool, stimulating, and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

THE SUMMER SCHOOL OF THEOLOGY, conducted in connection with the Summer School of the University, for the last two years with great success, will be held again this year. Four other theological seminaries have agreed to co-operate.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college diploma, or in lack of that, evidence of literary and scientific attainments equivalent to an A.B. degree, is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

☞ Regarding expenses and pecuniary aid and for further information, address President McLean or Dean Nash.

THE NEXT YEAR BEGINS Aug. 20, 1907.

ANNUAL STATISTICS

OF THE

CHURCHES AND MINISTERS.

## ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

---

THE following pages contain the statistics as collected in 1906 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1907, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1906-1907.
5. General summary tables for the year.
6. Tables of summaries, 1858-1906.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

### RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE IN LINE OR MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was

not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

#### MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (\*) denotes churches not associated.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "*supplies.*" Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (\*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "*Supplies.*" Churches actually vacant are found in column marked "*vacant.*" The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "*Church Members,*" "*Absent*" are included in "*Males,*" "*Females,*" and "*Total.*" Under the head of "*Removed,*" "*Died,*" "*Letter,*" and "*Discipline*" are represented by the abbreviations. It should be borne in mind that in the tables, Discipline includes Roll-revision. In the General Summaries the term "*Revision*" is used, and includes Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "*no report,*" but some States do not follow the proper rule of inserting a cipher where "*none*" is meant, and the examiner must conjecture, in any given case, whether "*none*" or "*no report*" is intended. In our General Summaries, a blank invariably signifies "*no report.*"

Students of this table should remember that 1887 was a transition year. The reports from different states covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 14,723; in Sunday schools, 17,822; and infant baptisms, 7,176.

## LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible, but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the page is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (\*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a \* of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1906, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

## LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently reported as under care, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (\*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

## LEGAL CONSIDERATIONS.

---

SUBSTANCE OF REPORT OF THE COMMITTEE ON VESTED INTERESTS, ADOPTED BY THE GENERAL COUNCIL UPON RECOMMENDATION OF THE COMMITTEE OF SIXTY-THREE, BEFORE THE ADOPTION OF THE "ACT OF UNION."

---

Prepared by HON. SIMEON E. BALDWIN, LL.D.,  
Chairman of Committee on Vested Interests,  
New Haven, Conn.

---

The organic union of three religious denominations, each with a full system of denominational agencies in active operation, does not necessarily imply either that one of these systems is to supersede the other or that a new one shall be devised to supersede them all. An analogous organization may be found in the United States, which is a union of states, each having a constitution of its own, and each with divisions of counties, cities and towns, having certain powers of local government under which titles may be vested according to the preference of municipal authorities.

The same principles which govern the co-ordination of political relations seem naturally applicable to the co-ordination in property interests and relations in case of this union of several religious bodies. Each has had its own polity. In substance and general purpose there is no difference; in detail there is a large difference. Under these respective polities large property interests have been vested in certain agencies for denominational purposes, but always to promote Christian worship and service, through the support and fellowship of Christian churches, each of which should have a large measure of power to manage its own affairs, and yet be in some degree subject to advice or control from representatives of other churches, or the denomination at large.

Under our union we adhere to these identical purposes, but we are not necessarily bound to carry them out for every church or every conference of churches by precisely the same methods, recognizing, however, that for any particular church or locality the majority in that church or locality must rule, so far as there is no departure from the main constitutional principle.

This general view leads to the following conclusions:

1. In the united body *existing titles, e. g.,* to church buildings, parsonages, cemeteries, etc., should remain precisely as they now are unless in some way defective. As to future acquisitions of real estate for such purposes, the title should be vested in such manner as they from whom the acquisitions come may prefer. If it is for a church building, the church should be described as belonging to the new united body.

2. The name adopted serves to indicate and emphasize the legal character and consequences of the union.

This consideration applies to all forms of denominational property. It makes the new body appear in its true light as an association of pre-existing churches, and through them of pre-existing denominations. No church is wiped out of existence. Nor is any denomination. A partnership has been constituted, but each partner maintains its separate identity, though now acting in all matters affecting its contribution to the common stock through the partnership.

3. It has been common in the management of moneyed corporations to have a *practical consolidation* of several corporations into or with another *without the legal extinction* of any of the former. Their properties may be transferred, but the organization of each is still maintained through an annual meeting of its shareholders at which directors are elected, by whom important action may be taken. The shareholders, desiring the benefit of the practical consolidation, naturally elect directors holding the same views.

In the absence of legislation to the contrary, there is no legal objection to such a practice. It is not likely that there will be any legislation, as there is none now, to hinder a union of different denominations for the better service of their common Lord.

None of the three denominations should now be formally extinguished so far as legal organization is concerned.

4. The general *missionary and other charitable organizations of each denomination should be preserved in legal existence*. There may be concentration of the home missionary work of the new body in a single corporation, while yet the old societies may continue in legal existence, each with its own board of management, but making use of such single corporation as its almoner or paymaster. So also of all charitable societies, colleges and other educational institutions. Funds would thus remain untouched, and bequests under wills already executed would be preserved.

5. The reclamation of *abandoned property* must be governed by the usages and paper title of the denomination holding such property. Provision should be made by the new body against the abandonment of any real estate acquired after the union has been effected.

6. *Annual conferences* should be *incorporated* under the law of the state or one of the states within which they are to meet, with power to hold real estate for religious purposes.

7. For the work of *practical administration* it would be desirable to concentrate the exercise of all functions in the new District Associations, Annual Conferences and General Council, assuming that these names are given instead of those hitherto used — such as consociations, local councils, state conferences, national council, district, annual or general conferences. Where these bodies hold property, they should be kept in existence until that is disposed of in a manner sanctioned by the rules of the denomination to which they belong.

N. B. The vote adopting the Act of Union referred to the foregoing report and declared that the two papers were “not legally inconsistent.” Regarding these as parts of one scheme of organization, it follows, first, that no change will be wrought in the existing creeds or standards of faith of any denomination, or any church in any denomination. No new standard of dogmatic theology is established. Second; it will not disturb any invested interest in property, while yet it will so unite the forces of three denominations in common Christian service that there can be confidently expected both a great gain in efficiency and a great saving of expense.
